Admission, Assessment, Certification and Implementation

Admission

Any person may join the programmes as per the eligibility criteria.

For admission to the programmes offered by the Institution, preference will be given to the learners living in the local community.

Reservation to SC, ST, OBC and PWD categories will be available as per the extant National / State policy.

There shall be no age bar for admission under this scheme.

Admission may be done round the year, depending on the duration of the programmes, to facilitate a steady stream of learners joining the college and moving out as trained work force to the job market.

The following applicants should get preference in admission

Those Applicants seeking re-entry into the programme

The School dropouts who want to pursue to attain higher order skills

Those who are living in the vicinity of College.

Admission will not be given to students who have taken similar type of training from some other training organization. The student data will be verified from the data of students undergone training under PMKVY, which is now being compiled by NSDC. This data is being integrated with National Labour Market Information System (NLMIS) by National Skill Development Agency (NSDA).

Assessment

The Skill component of the course will be assessed by the respective Sector Skill Councils as per the norms which are prescribed by NSDA/ NSQF approved independent third party agency approved by NSDA.

Certification

On successful completion of training, the certificate will be awarded by the respective Sector Skill Council OR certifying agencies approved by NSDA.
