

Greetings from Digital Shark Technology Private Limited!

Texas Instruments (INDIA) in collaboration with Department of Science and Technology (DST) proudly announce their next edition of **India Innovation Challenge Design Contest (IICDC) - 2018** anchored by NSRCEL, Indian Institute of Management, Bangalore (IIMB) and supported by MyGov. The contest is open for all Indian engineering students pursuing undergraduate, postgraduate & doctoral degrees with Indian engineering colleges.

We request your support to motivate and inspire all student innovators, thinkers and makers of the country to join the revolution, who have a dream to create something new, aspire to make a difference, contribute to India's success towards becoming an Innovation Hub.

Awards and Recognition :-

- INR 20 Lacs seed funds to top 10 startups.
- INR 5 Lacs product development funds to select semifinalists teams.
- INR 30K stipends to select semifinalists teams.
- Free TI Tools worth up to INR 70 Lacs to participants.
- 15000+ certificates spread across the whole contest.
- 600+ types of cash prizes spread throughout the contest totaling up to INR 50 Lacs.
- **Recognition for the Faculty (Mentors) of the Semifinalists and Finalists teams.**
