

Greetings from Internshala.

The tenth edition of the flagship program - Internshala Student Partner (ISP 10) is Launched. This program is designed to provide students with valuable leadership experience and strengthen the internship culture of your college. I request you to kindly share this message with all your students so that they can apply.

About the program

Selected students (ISPs) will represent Internshala in your college and will embark on a leadership journey like none other! This will be a huge opportunity for them to develop their marketing and communication skills. These students will also receive a certificate of appreciation at the end of the program as well as performance-based incentives (we have given financial rewards worth INR 60 lacs+ in our previous editions).

There are multiple positions from every college and this is open for students of all year and streams. Interested students can apply here - internshala.com/i/isp_10 (applications have already begun). The last date to apply - **6th June 2018**.

In the case of any queries, please feel free to contact Kunal at 9899788308.

Many thanks,
